General Information Kit

Edison College Canada

About Edison College

Founded in 1973, Edison College Canada has a 50-year legacy of providing thousands of students a premium educational experience. Our staff are credentialed experts that bring real-world experience to give our students the edge. Our graduates also benefit from our vast network of Community partners as well as regulatory recognition – being fully accredited by the BC Government’s Ministry of Post-Secondary Education and Future Skills

50+ Years of Shaping Futures

Committed to Student Success

With a half-century of nurturing talent and inspiring success stories, we are proud of our history and want to be a part of transforming your dreams into a fulfilling career. Check out our benefits below and come visit us on campus to see what we’re all about!

MISSION

Our mission is to provide a platform for a transformative educational experience focusing on industry-relevant training, interpersonal skills, and personal goals in a safe, encouraging, and inclusive space.

VISION

Our vision is to be in constant pursuit of excellence in education, empowering our graduates to be well-rounded difference-makers; and providing the tools for growth and the space to express ideas freely and organically, enabling dreams to become reality.

VALUES

The values that we strive to embody are: Compassion by responding with sensitivity; Courage in the face of adversity; Diversity through fostering a welcoming atmosphere; Integrity with adherence to these values; and Lifelong Learning in the pursuit of knowledge.

The Edison Edge

A Journey Tailored to You

Forget the one-size-fits-all approach. Our class sizes are capped at 20, ensuring you get the personalized attention you deserve. Flexible schedules, online classes, and evening options mean you can balance life, work, and education seamlessly. And the best part? You can complete your program in just 8 months!

Affordable & Accessible

We believe your ambition shouldn't be limited by your budget. That's why we offer scholarships, all-inclusive pricing with no hidden fees, and tailored payment plans. Our programs are eligible for student loans and grants, making your educational journey more achievable than ever.

A Community That Cares

At Edison, we celebrate diversity and foster a safe, inclusive environment where every voice is heard. Our small, multicultural community is the perfect place to build lasting professional relationships and grow both personally and academically.
